

Remarks:

In response to the Office Action dated, March 21, 2006, please find attached, an authorized declaration under 37 CFR 1.132 stipulating that any subject matter disclosed but not claimed in US Patents No. 5,949,476 and No. 6,674,460, but claimed in the instant application, originated with or was obtained from the Applicant. This showing overcomes the rejection of all claims under 35 U.S.C. 103(a) as being obvious over US 6,674,460 and US 5,949,476.

The Examiner also rejected all claims based on obvious double patenting in view of US 6,674,460 and US 5,949,47. In response, a terminal disclaimer has also been filed with this amendment overcoming the double patenting rejection.

Accordingly, reconsideration and withdrawal of the rejections and allowance of all pending claims are respectfully requested.

Respectfully submitted,

By:
